EMSter Ultra™

Construction :

1/8 inch diamond plate throughout side rails with 3 inch aluminum cross members under bed

Storage:

Dual side storage compartments with 14 cu.ft. of storage space

Behind the EMTs seat is sizeable flat surface for equipment or our optional accessory box

Standard:

Each standard unit consists of a box platform that can accommodate a flat board, stokes basket or a medical bed

Installation :

Uses factory bed mounting tabs on the frame

(Requires removal of OEM tool box)

Feature:

The left side is equipped with a GORTITE® roll up door

This feature provides access to the patient, as well as giving weather protection in inclement weather
